FAQ's

Q. Will my marriage be legal in the U. S. A.?

Most of the couples avoid the complications of a foreign ceremony by getting their marriage license at home and then holding their ceremony at the villa. We can help Mexican couples with their documents.

Q. Is the photographer, videographer, minister, or florist included in the package?

No, but prices may be much lower than the U. S. For example, a photo and video package may start at \$950.00 USD.

Q. What music does the DJ play?

Our recommended DJ's have an extensive list of music. Please advise us of your special music requests one month before the wedding date

Q. Do you supply a wedding tent if needed?

No, but we have quality suppliers that can offer you a variety of tents and décor such as transparent roofs, etc. Rain is very rarely a problem as in our region the average rainfall is only 4 to 8 inches per year. The ocean side Eucalyptus Patio has a grove that gives natural shade. Undoubtedly, a fine tent dresses up the *Campestre Patio* for a very elegant enclosed reception.

Q. How many people are seated per table?

A minimum of 8 and a maximum of 10 guests should be seated per round table.

Q. Is there a service fee if we bring our own liquor?

No corkage fee.

Q. Can you help us with transportation from the U. S.?

Yes we can help you with all of your transportation needs. A 47-passenger bus will charge \$1400.00 for a round trip from San Diego and \$1800.00 for a round trip from Orange County. Other trips can be quoted on request. Limousine service to and from San Diego is estimated at 5 hours and costs \$540.00 all included.

Q. Can we dance all night?

Yes, since our location is a private residence set in a 2 acre oceanfront setting, there are no other guests to disturb, such as in a traditional hotel site, so you can dance until daybreak.

Q. Since *Casa de los Siete Patios* has garden reception areas, do we have to rent outdoors restroom facilities?

No, we have new restroom facilities sufficient for 600 guests.

Q. Are you handicap friendly, since we would like to bring some elderly relatives.

Yes, in spite of having 7 patios, most are handicap friendly.

Q. Is there enough parking if we have a large wedding?

Yes, there is plenty of parking. Valet parking is available for your convenience at additional charge.
